

Solidarity activities carried out by the Huánuco community

1. Pastoral listening and spiritual support during covid-19;

- In response, at the request of the Peruvian Episcopal Conference and the Diocese of Huánuco, two sisters participate in the pastoral care of listening and spiritual support. In this context of COVID-19,

From Monday to Friday (afternoon), the sisters give this telephone listening service to people who need to be listened to.

They, also,

- Prepare audios and other materials for spiritual and emotional guidance.
- The community welcomes and prays for people's intentions, those in need of prayer because of COVID-19 disease and others.
- Psycho-spiritual support is provided from Monday to Friday (afternoon).

2. CONFER ZONAL-HCO, Inter-congregational Listening Team Organization

3. At the request of our parish priest, the community participates in locating families who are in extreme poverty, to give them a food voucher, offered by Caritas Huánuco

4. The community provided economic support to:

A young painter who was in poverty (hunger)

A Venezuelan family where both spouses are without work.

Support to 6 extremely poor families in the San Luis region.

5. Huanuco blind education and rehabilitation centre, cerci-hco.

Organized virtual education (cell phone, Whatsapp..., etc.) for primary, secondary and rehabilitation of children, youth, blind and visually impaired adults.

The CERCI-HCO project provides a food basket for blind students, workers and people living in extreme poverty. Four workers received COVID-19 economic support during the quarantine months.

6. Angelo longhi-creval physical rehabilitation centre project

- Accompanies by telephone children living with a disability from the CREVAL Project.
- Provided a wheelchair for a disabled patient who has been abandoned.
